

Instructions On How To Name Files For Posting To Flickr Site

If you have a DPI or print that receives a HM or Award in the monthly competition and wish to have it posted to the club's Flickr site, the file must be named per the instructions below. If it is a DPI, rename it and then send it to ronald.szymczak@sbcglobal.net. If it is a print, convert it to a DPI and name it per the instructions below, then send it to ronald.szymczak@sbcglobal.net. All renamed files must be received by the following Monday after the competition night.

The file name must contain the following information in the order shown:

Title

Photographer's Name

Honor received

Competition Class

Month and Year of competition

Examples:

Prints

Sunset By Jim Johnson Award Color Prints Sept. 2014

Time By Tim White Award & POM Color Prints Sept. 2014
